Urban Practitioners

You will see from the attached flyer that representatives from **Urban Practitioners**, (a specialist planning and urban regeneration consultancy) will be in the **Hewitt Room** in the Memorial Hall on **Friday 3rd April from 9.15am – 12.30pm** in the form of a casual '**drop-in**' session.

The Village Plan Committee are very pleased that this company are including people who live or work in Wheathampstead in their consultation to see what **vision we have for the Village and the greater St Albans District in the next 20 years** (housing, schooling, transport, sport and leisure, environment, Heartwood Forest etc).

You might have already expressed your views in the **Village Plan** consultation (we have passed all comments to Urban Practitioners). The First Edition of the Village Plan is almost complete and will be launched at the **Annual Parish Meeting on the 22nd April**. However, there might be ideas or comments you have since thought about and would like to add through this consultation.

Finally, we would be most grateful if you would pass this information on to any '**hard to reach**' parts of our community. We value views and comments from everyone and if they are not able to attend in person, either send a friend, or write or email with your views to the **Parish Council Office, The Memorial Hall, Marford Road, Wheathampstead, Herts., AL4 8AY** or whampsteadpc@btconnect.com

Parish Councillors will be on hand to assist Urban Practitioners and look forward to welcoming you on the 3rd April.

Yours faithfully

Cllr Iain Begg

Chairman of Village Plan Committee
